New **MUSSO**

# MAKING A STRONG FIRST IMPRESSION

You really will make a strong impression with Musso and Musso Grand pick-up trucks – a formidable new-look radiator grille & front bumper, crystal-clear LED head lamps and twin LED fog lamps will see to that.

Impressive new radiator grille & front bumper

New crystal-clear LED head lamps

New LED fog lamps

\* Vehicle shown is 'Special Model package' version.

New MUSSO GRAND

\* Vehicle shown is 'Special Model package' version.

New **MUSSO GRAND**

## STRONG AND FIT FOR PURPOSE

As well as being strong and capable of carrying and towing heavy loads, Musso Grand looks the part, too.

- ① High-intensity discharge (HID) headlights
- ② Impressive chromed radiator grille
- ③ LED front fog lights

New MUSSO GRAND

# THE POWER TO DELIVER

Strong, rugged and capable, Musso Grand draws on the brand's traditional values to deliver, and in style.

- ① LED combination rear light clusters
- ② Easy-to-use drop-down tailgate
- ③ Touch sensitive external door handles

New MUSSO GRAND

## HIGHLY ACCOMMODATING

Musso Grand stays true to its roots as a traditional pick-up truck. Yet as well as taking modern-day commuting in its stride, it is designed and built to graft in a wide range of environments and industries, from farming and construction to manufacturing and around-town deliveries.

With its wide and extra-long deck – it will easily carry a Euro pallet-sized load, Musso Grand meets the need to transport even larger loads, while cabin comfort, convenience and storage space have all been optimised through innovative design.

New MUSSO

# MUSSO - THE AUTHENTIC PICK-UP TRUCK. BUILT TO SERVE

\* Vehicle shown is 'Special Model package' version.

New MUSSO

## IT LOOKS THE BUSINESS

Whatever your business or industry, Musso will roll-up its sleeves and deliver.

- 1 Headlights with 'see you home' function
- 2 Welcome system
- 3 Dual smart key

New MUSSO

## MUSSO – THE ORIGINAL PICK-UP

With its original shorter deck and 4-wheel drive, Musso bridges the gap between work and play – the business truck that is equally at home at the weekend or down on the beach.

## PREMIUM QUALITY CABIN AND EQUIPMENT

You might be in a work vehicle but there is no need to compromise on comfort and equipment; Musso and Musso Grand don't!

12.3" navigation and smart audio system

Apple CarPlay and Android Auto

12.3" full digital instrument cluster

## FORM, FUNCTION AND HI-TECH CONVENIENCE

Musso and Musso Grand are comprehensively equipped and includes standard features you would expect to find as extras on a luxury car.

Automatic air conditioning with dual-temperature zones

3D 360° around-view visual monitoring

Instrument panel mood lighting

C-type USB slots

## SPACIOUS, COMFORTABLE AND SO WELL APPOINTED

Musso and Musso Grand offer best-in-class passenger space and comfort.

While the new truck's exterior projects robust visual dynamism, the cabin creates an aura of calmness and luxury.

Sleek and efficient, the cabin has that wide open feeling and exudes comfort throughout.

Soft and smooth to the touch, genuine leather seats reflect the quality and there is meticulous attention to detail throughout.

ISOFIX child seat fixings

Heated front and rear seats

Ventilated front seats

## DRIVES LIKE A CAR, DELIVERS LIKE A TRUCK

Experience the fun of driving Musso and Musso Grand.

The four-wheel drive system ensures optimal distribution of power to the front and rear wheels according to road and driving conditions thereby ensuring maximum traction and safety. Equipped with a turbocharger, the engine now delivers higher efficiency over previous models, maximising both fuel efficiency and acceleration.

### e-XDi 2.2litre diesel engine

**202** Max Power  
ps / 3,800rpm

**441** Max Torque  
Nm / 1,600-2,600rpm

\* 6MT : Max Torque 400 Nm / 1,400-2,800rpm

### Part-time 4WD

Part-time four-wheel drive allows the driver to choose when to activate the system, depending on changing conditions on or off the road. Operational safety and efficiency are therefore superior to that of a full-time 4WD system.

### Aisin 6-speed automatic transmission

A high ratio spread optimises gear changing under differing road conditions. Control of changing gear at speed is reliable and efficient, enabling the automatic transmission to maintain a smooth feel during each gear change. Manual mode (whether changing up or down) delivers a rapid response for more dynamic driving performance.

## STRENGTH, BALANCE AND STABILITY

Unlike the traditional monocoque structure used by some pick-up manufacturers, the body, engine and suspension of Musso and Musso Grand are mounted onto a new quad frame. Built with ultra-high tensile strength steel, the quad frame structure is extremely strong and highly effective in isolating road shock when driving over rugged terrain or speed bumps, thus ensuring optimal rigidity and stability.

### Crash protection zone

The protection zone is the part of frame that takes the most shock from a frontal impact collision. This zone or 'box' is designed to absorb that force and help protect the passengers inside the cabin.

### Five-link rear suspension

The axle is connected on the left and right to provide a smooth ride even when the road surface gets rough. This system is preferable for off-road use.

### Quad frame

Unlike a monocoque structure, the engine and suspension system are attached directly to the frame, helping to negate the heavy shock experienced when traveling over rough road surfaces or speed bumps and ensuring maximum handling stability.

### Leaf spring rear suspension (Musso Grand)

Leaf spring rear suspension ensures this model rides smoothly and handles well even under heavy load when cargo-carrying and towing.

## INTELLIGENT ADAPTIVE CRUISE CONTROL (IACC)

The advanced driver assistance system of Musso and Musso Grand maintains the distance with the vehicle in front (accelerating/decelerating) based on the speed set by the driver during highway and general road driving, and assists in lane keeping through leading-edge technologies. It also adjusts the driving speed for enhanced driving comfort on highways based on navigation data, making it an advanced autonomous driving assistance system.

\* When using IACC, drivers are advised to keep their hands on the steering wheel and keep looking ahead.

\* Automatic accelerating function, in case the vehicle in front accelerates, is not included.

## PUTTING YOU SAFELY IN CONTROL

The new Advanced Driver Safety Assistance System (ADAS) on the Musso & Musso Grand helps you to drive safely in all types of road environments. The Electronic Stability Program (ESP) prioritises occupant safety by helping to maintain directional stability when one or more tyres have lost traction, while Autonomous Emergency Braking (AEB) can minimise the risk of having a serious collision by automatically deploying the brakes when a forward collision is anticipated.

### The latest technologies

**AEB (Autonomous Emergency Braking)**  
AEB helps to avoid or mitigate collisions by detecting slow moving or stalled vehicles ahead and warning the driver in advance.

**FCW (Forward Collision Warning)**  
FCW alerts the driver when another vehicle or pedestrian appears ahead.

**SDA (Safety Distance Alert)**  
This warns about safe braking when distance is not maintained from the car ahead.

**FVSA (Front Vehicle Start Alert)**  
This attracts the driver's attention through a visual pop-up and audible sound when the vehicle directly in front is pulling away.

**HBA (High Beam Assist)**  
This automatically dips the headlights when an approaching vehicle is detected, making night-driving easier and safer.

**DAA (Driver Attention Alert)**  
If the DAA system senses the driver's attention is wandering, it gives an audible warning and visual alert on the instrument cluster.

**LKAS (Lane Keeping Assist)**  
**CLKA (Centring Lane Keeping Assist)**  
LKAS uses a forward-facing camera to monitor the painted lane lines. On detecting an attempt to change lane without prior signaling, it automatically corrects the electric power steering to keep the vehicle within the intended lane. \* Lane Departure Warning (LDW) is included

**BSA (Blind Spot Collision Assist)**  
Automatically applies the brakes if there is a risk of a collision with vehicles in the blind-spot while changing lanes.

**SEW (Safety Exit Warning)**  
This warns if there is a risk of collision with vehicles in the blind-spot when an occupant opens the door to get out of the vehicle after stopping.

**RCTA-i (Rear Cross Traffic Collision Assist Intervention)**  
When reversing and an approaching vehicle is detected in its path, RCTA sounds an alarm and automatically applies the brakes to stop the vehicle to reduce the risk of collision.

# STRONG ON STRENGTH, STRONG ON SAFETY

For uncompromising levels of safety, Musso and Musso Grand are equipped with six advanced airbags including front, side and curtain airbags to protect the driver and passengers. The Electronic Stability Program (ESP) continuously monitors road conditions to ensure directional stability, and whenever necessary, will automatically adjust engine power and apply the brakes to individual wheels to prevent the loss of directional control. Additionally, the locking differential improves traction on steep and slippery slopes, particularly useful to maintain a powerful performance when towing.

### Locking Differential

On mud, snow or other slippery surfaces, one wheel may slip or lift into the air. In such circumstances, the locking differential locks both wheels on the same axle together so they turn in unison, allowing the vehicle to recover its traction and momentum.

Emergency stop signal (ESS)

Hill descent control (HDC)

Trailer sway control (TSC)

**6 airbags**  
 1 Driver airbag 2 Passenger airbag 3,4 Driver & passenger side airbags 5,6 Curtain airbags

# STYLE & CONVENIENCE

Features to make your travelling safer, more convenient and enjoyable

Automatic door locking system

Parking assist system

Rear view camera

Powered safety windows

Privacy rear door glass

Heated leather steering wheel cover

Steering wheel mounted audio controls

Steering wheel mounted cruise control switches

Rake & reach telescopic steering wheel

Tilt control of steering wheel angle

Solar control glass

Powered safety sunroof

Designer roof rails

Tyre pressure monitoring system (TPMS)

Tyre repair kit

Instrument cluster with 3.5" trip computer

Manual air conditioning

Integrated switch module

Front camera module with rain-sensing and automatic headlight control

Illuminated sun visor

A-pillar grab handles

Centre console with automatic transmission

Centre console box

Glovebox

Seat belt reminder (SBR)

LED cabin light

Overhead console with LED map lights

2nd row air vent

2nd row seat central armrest with cup holder

Load deck lashing hooks

18" Alloy Wheels

18" Black Alloy Wheels

20" Sputtering Wheels

# FEATURES LIST

## ENGINE & FUEL SYSTEM

e-XDi 220 2.2L diesel engine with CDPF & LNT & SCR & AOC  
Euro 6d step2 emission standard  
Engine acoustic cover  
Electronic cruise control  
75L fuel tank  
Voltage Stabilizer  
Idle stop & go (ISG) system with electric energy management (EEM)  
Single exhaust silencer

## DRIVE TRAIN

Rear wheel drive system  
6-speed manual transmission with gearshift knob  
6-speed automatic with thumbs-up switch on gearshift knob  
Part-time 4WD with shifting on the fly  
Locking differential (LD)

## STEERING SYSTEM

Hydraulic power steering  
Speed-sensitive power steering  
R-EPS (Rack type electric power steering)  
Urethane steering wheel with silver-painted or black bezel  
Leather steering wheel cover  
Manually-controlled tilt and telescopic steering  
Mechanical steering column lock  
Electric steering column lock (deluxe)  
Heated steering wheel cover  
Heated & leather-covered steering wheel

## SUSPENSION

Double-wishbone front suspension system with coil springs  
Five-link rear suspension system with coil springs  
Leaf spring rear suspension

## BRAKE SYSTEM

Ventilated front disc brakes and rear disc brakes  
Hand-operated parking brake  
Electronic stability programme (ESP) with anti-lock braking system (ABS), hill start assist (HSA), traction control system (TCS), hill descent control (HDC), active roll-over protection (ARP), emergency stop signal (ESS) and trailer sway control (TSC)

## WHEELS & TYRES

17" steel wheels 235/70R tyres with 5-link rear suspension  
17" steel wheels 235/70R tyres with XL tyres with leaf spring rear suspension  
17" alloy wheels 235/70R tyres with 5-link rear suspension  
17" alloy wheels 235/70R tyres with XL tyres with leaf spring rear suspension  
18" alloy wheels 255/60R tyres with 5-link rear suspension  
18" diamond-cut finished alloy wheels 255/60R tyres with 5-link rear suspension  
20" sputtering wheels 255/50R tyres with 5-link rear suspension  
Tyre repair kit  
Tyre pressure monitoring system (TPMS)

## EXTERIOR

Silver-coloured radiator grille  
Long license plate detailing  
Exterior rear view mirrors, electrically controlled, foldable and heated (standard)  
Exterior rear view mirrors, electrically controlled, foldable and heated with side repeaters and puddle lamp (deluxe)  
Body-coloured exterior rear view mirror housing  
Small mud guard for front & rear  
Body-coloured exterior door handles  
Bright stainless door outside belt weather strip  
Body-coloured tailgate rear center garnish  
Natural-coloured side sill mouldings  
Standard deck  
Trailer tow hitch mounting  
Fashionable black & silver roof rails  
Safety power sunroof  
Special model package – radiator grille, bumper, head lights, LED DRL, LED front fog lamp and LED sequential turn signal  
Black exterior package – outside door handle, door outside belt weather strip, tailgate centre garnish

## GLASS

Tinted windscreen glass (standard)  
Solar control windscreen glass (deluxe)  
Tinted front & rear door glass  
Privacy rear door glass

## INTERIOR

Sun visors with vanity mirror and illumination  
Adjustable day/night rearview mirror (standard)  
Electrochromic interior rearview mirror (deluxe)  
Visual VIN label  
Silver accented instrument panel (standard)  
Silver accented instrument panel with TPU cover (deluxe)  
Silver finished inside door handles  
Centre console with silver grain trim and hand-operated parking brake  
Overhead console with bulb map lamps (standard)

Overhead console with LED map lamps (deluxe)  
Plastic front and rear door scuff  
Stainless-steel front-door scuff (deluxe)  
Floor mats  
Urethane gear knob (standard)  
Leather-covered gear knob (deluxe)  
Hang-on type accelerator pedal  
A-pillar grip handle  
B-pillar assist grip handle

## SEATS

5 seats  
Manually height-adjustable driver seat with sliding head rest  
Manually adjustable passenger seat with sliding head rest  
Folding 2nd-row seats with folding centre armrest  
8-way power-adjustable driver seat  
6-way power-adjustable front passenger seat  
Driver's seat with 2-way powered lumbar support  
Cloth seat cover  
Thermoplastic polyurethane (TPU) seat cover  
Leather seat cover  
Sliding front headrests  
Ventilated front seats

## SAFETY

High-strength-steel construction  
Ultra-rigid quad frame for greater strength, less vibration and noise  
Door impact beams for optimal protection from side collisions  
Dual airbags  
Front side and curtain airbags  
Airbag on/off switch for front passenger  
Front seatbelts with ELR pre-tensioner and load limiter  
3-point seat belts fitted to the two rear side seats and one lap belt on the centre seat  
Child seat anchorage for rear seats  
Seat belts reminder warning for front and rear all seating positions  
Autonomous Emergency Braking (AEB)  
Lane Departure Warning (LDW)  
High Beam Assist (HBA)  
Traffic Signal Recognition (TSR)  
Front Vehicle Start Alert (FVSA)  
Safety Distance Alert (SDA)  
Driver Attention Alert (DAA)  
Blind Spot-Detection Warning (BSW)  
Lane Change-Collision Warning (LCW)  
Rear Cross Traffic Warning (RCTW)  
Safety Exit Warning (SEW)  
Blind Spot-Collision Assist (BSA)  
Rear Cross Traffic-Collision Assist-intervention (RCTA-i)  
Intelligent Adaptive Cruise Control (IACC)  
Centering Lane Keeping Assist (CLKA)

## CONVENIENCE

Standard cluster including 3.5" mono TFT-LCD information screen  
Deluxe 12.3" full colour LCD cluster including trip computer  
MFR front head lights with DRL and manual leveling  
25W HID front head lights with LED DRL, LED turn signal lamp and manual leveling  
Projection front head lights with LED DRL, LED turn signal lamp and manual leveling  
Full LED front head lights with LED DRL, LED turn signal lamp and manual leveling  
Bulb front fog lights (standard) / LED front fog lights (deluxe)  
Bulb rear fog lights (standard) / LED rear fog lights (deluxe)  
Rear combination lamp with bulb stop lights  
Auto light control  
Rain sensing front windscreen wipers  
Powered driver's door window with 1-touch lowering  
Driver Safety power window  
Remote keyless entry system with folding controller  
Dual smart-key system with welcome system  
Immobiliser with keyhole illumination  
Anti-theft alarm  
Twin horn  
Instrument panel mood lamp  
Four front and rear parking sensors

## CLIMATE CONTROL

Front manual air conditioning system  
Front dual-temperature zone auto air conditioning system  
Air quality control system  
Rear air vent on centre console back  
Heater and air compressor  
PTC (positive temperature coefficient) heater for diesel engine  
Air conditioner filter

## AUDIO & VIDEO

2-Din audio system with MP3 player  
12.3" smart audio system with link to rear view camera including DAB and Glonass  
12.3" navigation system with link to HD rear view camera including DAB and Glonass  
4 speakers / 6 speakers  
C-type USB slots (10.5W data delivery, 18W charging)  
Bluetooth hands free  
Audio remote control switches on steering wheel  
Car connectivity - Apple CarPlay & Android Auto  
Around view monitoring system (AMS)  
Roof-mounted pole antenna with 2-din audio  
Roof-mounted shark-fin antenna with 12.3" smart audio and 12.3" navigation

Projection front head lights with LED DRL, LED turn signal lamp and manual leveling  
Full LED front head lights with LED DRL, LED turn signal lamp and manual leveling  
Bulb front fog lights (standard) / LED front fog lights (deluxe)  
Bulb rear fog lights (standard) / LED rear fog lights (deluxe)  
Rear combination lamp with bulb stop lights  
Auto light control  
Rain sensing front windscreen wipers  
Powered driver's door window with 1-touch lowering  
Driver Safety power window  
Remote keyless entry system with folding controller  
Dual smart-key system with welcome system  
Immobiliser with keyhole illumination  
Anti-theft alarm  
Twin horn  
Instrument panel mood lamp  
Four front and rear parking sensors

## CLIMATE CONTROL

Front manual air conditioning system  
Front dual-temperature zone auto air conditioning system  
Air quality control system  
Rear air vent on centre console back  
Heater and air compressor  
PTC (positive temperature coefficient) heater for diesel engine  
Air conditioner filter

## AUDIO & VIDEO

2-Din audio system with MP3 player  
12.3" smart audio system with link to rear view camera including DAB and Glonass  
12.3" navigation system with link to HD rear view camera including DAB and Glonass  
4 speakers / 6 speakers  
C-type USB slots (10.5W data delivery, 18W charging)  
Bluetooth hands free  
Audio remote control switches on steering wheel  
Car connectivity - Apple CarPlay & Android Auto  
Around view monitoring system (AMS)  
Roof-mounted pole antenna with 2-din audio  
Roof-mounted shark-fin antenna with 12.3" smart audio and 12.3" navigation
